BOWL

Bowl is ceiling mounted, cast California Art Glass of stunning detail derived from hand-carved texture and dramatic depth. Such qualities are uncommon in modern, luminary glass bowls and only possible through the skill of a craftsman acquired by years of apprenticeship, trial and error. Our uniquely designed mounting systems guarantee easy mounting, display and maintenance.

Technical & Mounting Information

Incandescent Source

Bowl 22" - 3 x 60w (Max)

Bowl 30" - 4 x 60w (Max)

Medium Base

Lamps Included

Damp Location

1881 Industrial Drive

Libertyville, IL 60048
